Overwater Bungalows

MALDIVES

IDYLIC. ISOLATED. UNFORGETTABLE.

KNOW YOUR DESTINATION

Awaken in a sun-soaked archipelago comprising 1,192 coral islands and 26 atolls – where the sunset transforms into a hypnotizing fusion of striking colors, where your senses are balanced, where there is an abundance of underwater life and thrilling water sports.

With its stunning beaches, blue waters, and pure air, the Maldives may be the ultimate exotic getaway. Escape to one of the most idyllic – and isolated – destinations on the planet. Enjoy a picnic lunch on an uninhabited island. Take a sunset cruise on a catamaran. Dive into the clearest water you'll ever see. Rejuvenate body and soul at a sinfully delicious spa.

Knowing where to begin your Maldives holiday will be your only question – for starters, there are 26 coral atolls to choose from, and it's near impossible to pick a favorite. Intrepid travelers can opt for some city buzz in the energetic capital Malé.

Notice that when you check into your resort, it occupies its own separate island. And in the Maldives, it's the law that all resort guest rooms must face the beach, and five linear meters of beachfront is allocated to each resort bungalow.

When it comes to food, Maldivians adore three things: fish, coconut, and starch. Opt for local favorites like skipjack and yellowfin tuna, best served with rice, taro, sweet potato, or cassava. Beyond seafood, the Maldives is also renowned for its delectable vegetable curries – spicy, redolent, and packed with a fresh selection of aubergine,

pumpkin, potato, and carrot. And then there's roshi – a tasty flatbread that's a nationwide staple, often eaten for breakfast, lunch, and dinner.

The people in Maldives live a simple, unhurried lifestyle and are extremely devout in their Islamic religion. Even though Maldivian Dhivehi is the official language, English is widely spoken.

ENTRY REQUIREMENTS

A valid US passport, return or onward tickets, and proof of sufficient funds are required for entry; a no-cost visa valid for 30 days is issued on arrival.

GETTING AROUND

A speedboat, seaplane, or local dhoni (a multipurpose sailboat) are used when traveling within the islands. Taxis, motorbikes, and walking are also options on Malé; it takes approximately 10 minutes to walk from one end to the other on the island. Scheduled ferries are available when traveling to other islands.

TOP EXPERIENCES

Spa Therapy

Reconnect with your spirit as you plunge into a sensory journey in an overwater spa palapa with therapeutic rituals and hypnotic Maldivian waters as your backdrop.

Local Breakfast Specialty

Wake up in the Maldives and sample mas huni, a Maldivian local delicacy including tuna, onion, coconut, and chili accompanied by hot tea and roshi flatbread.

History Museum

Marvel at the impressive collection of artifacts that reflects the rich history of the island at the former Sultan Palace, now called the National Museum in Malé.

Diving

Snorkel right off a private terrace and dip into the Tiffany-blue waters amid tropical marine life and some of the planet's most mesmerizing coral reefs.

Craft Market

Join an excursion to some of the inhabited islands, where local shops sell authentic lacquer works, dhoni crafts (miniatures of traditional boats), wood carvings, mat weavings, coconut shell products, coir ropes, and clothing.

Land Sports

Many resorts have built elaborate sports facilities, so it's easy to find a pick-up basketball game, soccer and volleyball action, and top-level tennis. And all the islands are tailor-made for jogging and bicycling.

Sport Fishing

Experience an unforgettable adventure on a sport fishing cruise for giant trevally, sailfish, marlin, barracuda, yellowfin tuna, wahoo, swordfish, and other impressive game.

Le Morne

MAURITIUS

PARADISE AMID THE BLUE HORIZON

KNOW YOUR DESTINATION

An idyllic volcanic island surrounded by immaculate waters and covered with lush vegetation and swaying palm trees, full of friendly smiles and hand-picked resorts carefully designed to preserve nature's organic beauty – get ready to recline on a stretch of powdery sands or break out your water sports gear.

There is much to love about Mauritius and not just its organic mountainous beauty and pristine beaches. It's also a melting pot of cultures, religions, and warm-hearted people welcoming you to their land.

Nothing will prepare you for the genuine French-Mauritian hospitality and laid-back island lifestyle, something that's felt across the country. Experience it all first-hand – strolling through the neighborhoods, eating freshly-ripped loaves of bread, bathing in lagoons that are off the tourist trail, and weaving through sky-high fields of sugarcane. Beware, though – this type of cool routine can quickly get addictive.

Those looking for the best scenery should head for the nearby Le Morne peninsula, epitomized by a huge coastal monolith of the same name. But if you simply can't tear yourself away from the beach, make sure you opt for some of the prettiest ones at least – Belle Mare and Trou aux Biches host some of the most picture-perfect sands. The island's capital, Port Louis, serves up a blend of bustling markets, colonial architecture, and blissfully private beaches.

You'll also find a string of modern resorts that have been carefully developed to preserve the island's beauty and ecology. English is the official language but French and Creole are widely spoken.

ENTRY REQUIREMENTS

US citizens need only a valid passport, an onward/return ticket, and sufficient funds to cover your stay. A visa is not required.

GETTING AROUND

Taxi

Metered taxis can be taken from the airport, hotels, and at bus stations, and are generally the best way to traverse Mauritius.

Bus

Economical express bus service is available throughout the island.

TOP EXPERIENCES

Seaplane Tour

Be whisked away on a seaplane journey with a dramatic water take-off and landing as you enjoy extraordinary views of the islands.

Duty-Free Shopping

The island's tourists-only duty-free shops are a great source of basketwork, embroidery, pottery, cut stones, and recycled glass art, as well as apparel like pull-overs and knitwear, plus tasty fruit jellies, chillies, vanilla tea, and rum.

Fishing Expedition

Sport fishermen can cast for blue or black marlin, all types of sharks, yellow tuna, and bonito. Excursions can be arranged through most of the resorts.

Street Food

In Grand Baie, dig into excellent, inexpensive street food like fresh coconut water, fruit smothered in chilli and sugar, hot curries, and Chinese noodles.

Tea Estate Tour

Join a tour of the venerable Bois Chéri tea estate, Mauritius' oldest plantation, where a range of black, green, herbal, and flavored teas are produced, and stay for a taste-testing back at the chalet.

National Park

Spend a day in the rugged refuge of Black River Gorges National Park, home to thick forests, jaw-dropping cascades such as Tamarin Falls, and much of the country's most elusive wildlife species and avifauna.

Chamarel Seven Colored Earths

Eden Island, Mahe, Seychelles

SEYCHELLES & SRI LANKA

ISLANDS OF SHEER EXOTIC PLEASURE, AND ONE OF THE HOTTEST NEW DESTINATIONS ON THE PLANET

KNOW YOUR DESTINATIONS

Seychelles

Untouched. Uncrowded. Unobstructed views. Unimaginable natural wonders. In the Seychelles, you'll wake up with an enhanced appreciation of life – and an otherworldly experience of sheer exotic pleasure.

The Seychelles take the concept of beaches to a whole new level, with powder-soft sands and lapping turquoise waves acting as a gateway to the ocean and the marine gems hidden beneath its surface. Anse Major, Anse Boileau, and Anse Aux Pins on Mahé are all perfect for snorkeling straight from the beach. The warm Indian Ocean waters make it ideal for sailing, windsurfing, fishing, and surfing as well.

Take a day to explore Victoria, the world's smallest capital city, where many buildings are virtually unchanged since colonial times. Explore the downtown Victoria Market, packed with fresh fish, fruits, vegetables, and locally grown spices.

Sri Lanka

No matter if you are a surfer, a food lover, or a culture maven, Sri Lanka is an exotic island destination with plenty of attractions for you to enjoy.

Discover fantastic beaches, an abundance of wildlife, delicious cuisine, friendly locals, and absorbing historical and cultural sites – eight of which are World Heritage-listed. Small in size but big in personality, the island is easily traversed via rental car or tuk tuk, or abroad leisurely regional trains. If you're fit and adventurous, try cycling around the country's winding back roads to discover some 300 waterfalls.

The bustling capital city of Colombo is a great place to soak up the energetic side of Sri Lanka before heading to its many laidback locations. As well as being able to sip world famous tea, you can also treat your taste buds to some unbelievably flavorful food. Local dishes are similar to what you'll find in India and usually consist of rice and curry, but Sri Lanka cuisine benefits from the addition of fruits and greater use of seafood.

ENTRY REQUIREMENTS

Seychelles

US citizens need a passport valid on the date of entry and exit, return/onward ticket, proof of stay, and sufficient funds to cover stay. A one-month visitor's permit will be issued on arrival.

Sri Lanka

A US passport valid for six months beyond date of entry is required (also with a blank page); a visa is also required; visitors should apply online at www.eta.gov.lk.

GETTING AROUND

Seychelles

Air

Air Seychelles operates multiple daily flights between Mahé and Praslin.

Boat

Cat Cocos and Inter Island ferry offer multiple daily crossings between Praslin, Mahé, and La Digue.

Sri Lanka

Bus

Bus routes cover about 80% of the nation's roads. Independent bus companies operate late-model coaches

Rail

Sri Lanka has an extensive railway system serving most major towns and cities in the island.

Car

Driving in Sri Lanka is on the left side and traffic is quite hectic – recommended only for confident and experienced drivers.

TOP EXPERIENCES

Seychelles

No Worries Atoll

Dive down under the Aldabra, the world's second largest atoll, and keep your eyes peeled for angel fish, sting rays, reef sharks, and whale sharks.

Night Lines

Why go to bed early when you can try to hook barracuda and sharks on a night-time sport fishing adventure?

Kalou You

Toast the surrounding natural beauty with a wine glass of Kalou, extracted from a coconut palm tree.

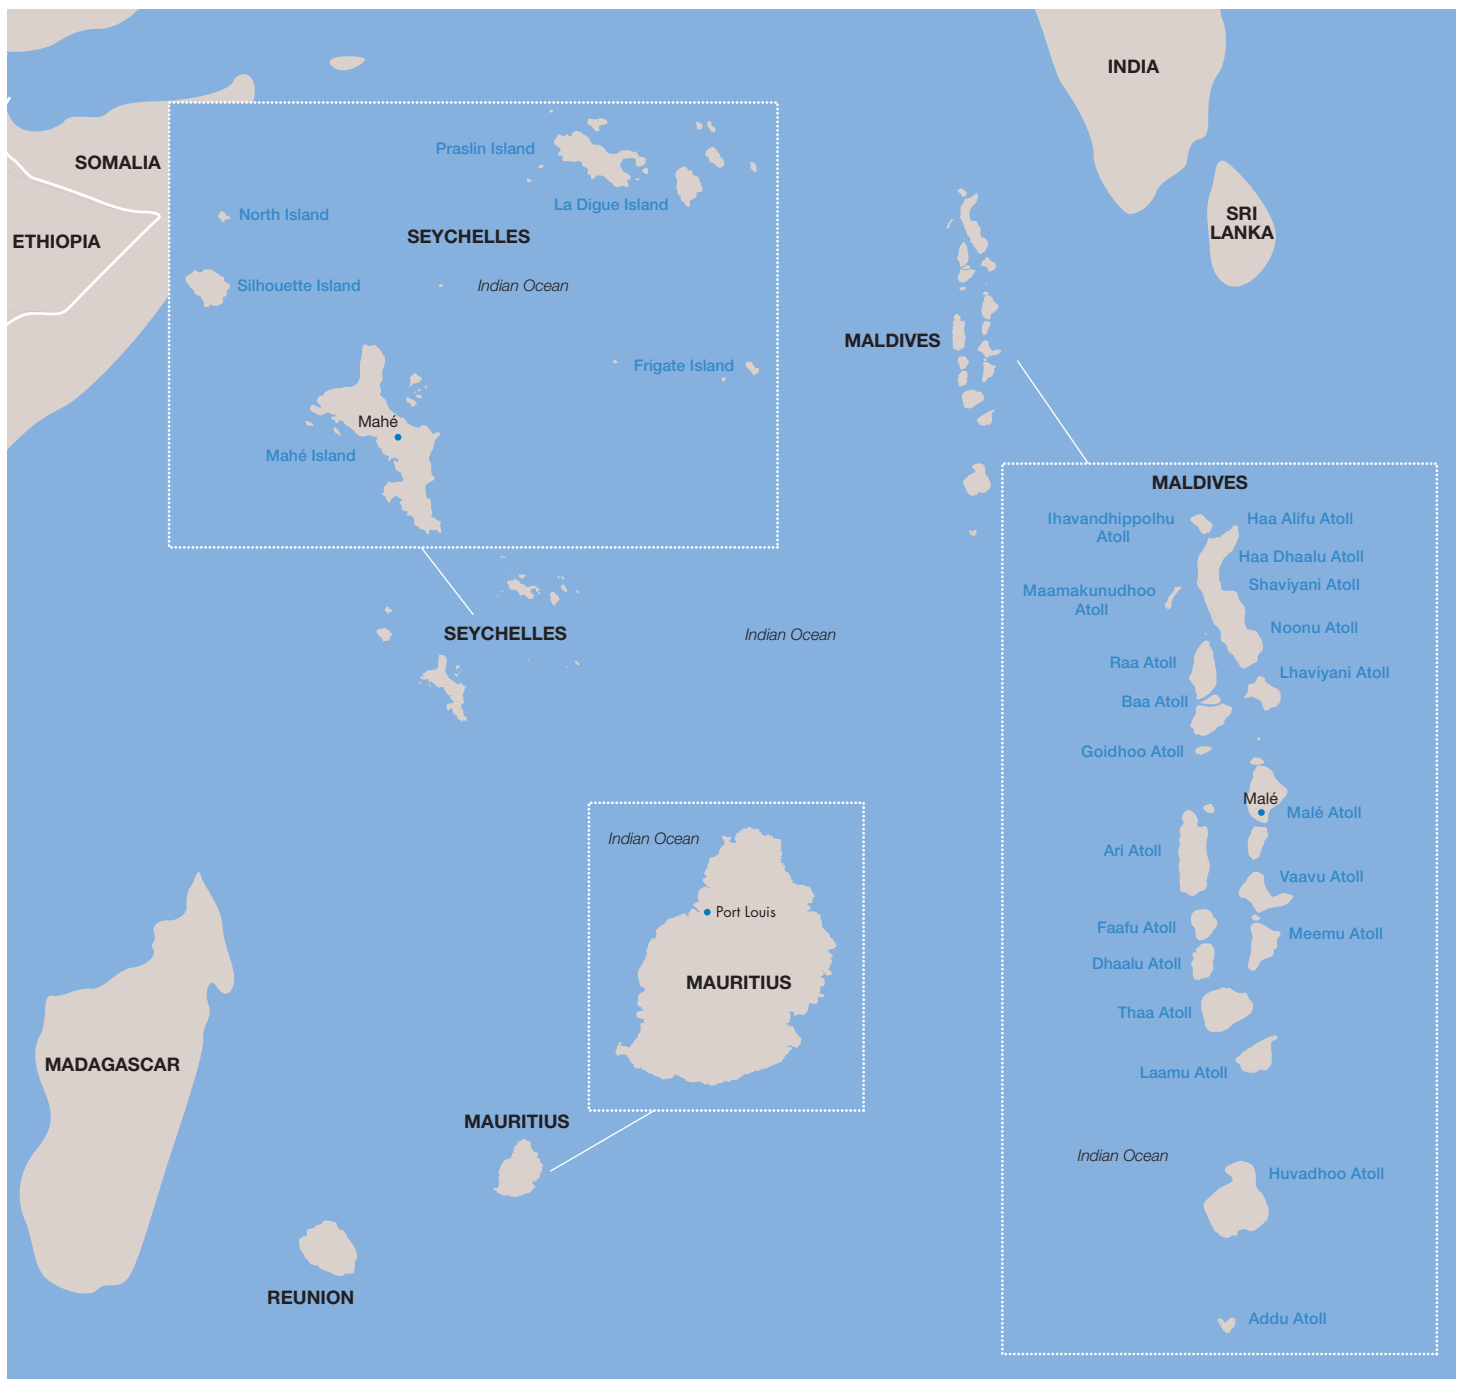

Sri Lanka

Colombo City Tour

Take a tour of Colombo to experience the Floating Market, the offshore Colombo Port City, and the Gangarama temple, a Buddhist shrine.

ANCIENT ALLURE & SURPRISING STYLE IN THE DYNAMIC MIDDLE EAST

KNOW YOUR DESTINATION

Dubai is a thriving cosmopolitan country and has become one of the world's hottest vacation destinations. From the world's largest artificial islands and the planet's tallest building, to uber-luxury accommodations and top-notch dining, it's nothing less than a scintillating experience for the senses.

An elegant fusion of sand and sea, Abu Dhabi graces its visitors with a rich cultural heritage, pristine waters, duty-free shopping galore, high-touch prestigious hotels, one of the largest mosques in the world, and the planet's most spectacular sand dunes.

Soon to make history as the first country in the Arab world to host the FIFA World Cup in 2022, Qatar is a country of affluence and extravagance, with futuristic skyscrapers, luxurious spas, and modern galleries littering the capital city of Doha – all set against the backdrop of massive sand dunes and the glimmering Persian Gulf.

The people of the UAE and Qatar are friendly and welcoming and adhere to a number of Islamic traditions. It is important to respect these traditions, and both men and women should dress appropriately, and refrain from dressing suggestively. English and Arabic are both commonly spoken throughout the UAE and Qatar.

THE REGIONS

Dubai

Downtown Dubai plays host to the world's tallest man-made structure, the Burj Khalifa and to the largest mall in the known universe. Jumeriah Beach is home to upscale hotels boasting high-touch facilities, sumptuous restaurants, white-glove service, and spectacular vistas

uniquely designed to enchant and luxuriate the most discerning traveler. Take a waterfront stroll and relish picturesque views when visiting the historic Dubai Creek that once served as a port for trading vessels.

Abu Dhabi

It couldn't be a better time to visit Abu Dhabi. With so many sights to see, you're bound to become utterly entranced by its remarkable wonder. You'll want to make sure you've at least tried some of the experiential activities like a water take-off on a seaplane for the ultimate million-dollar views, sailing on a catamaran along the majestic coastline, or skiing on the orange-hued desert dunes for a thrill of a lifetime.

Qatar

Occupying an elongated peninsula on the eastern edge of Saudi Arabia, Qatar's small geographic size means that most of the country's attractions lie around Doha and its surrounding suburbs. (You'll know Doha by its skyline – a cacophony of skyscrapers.) For a glimpse of the Old World, visit the majestic Doha Fort and the venerable Souq Waqif, Doha's main traditional market.

ENTRY REQUIREMENTS

Dubai

US travelers visiting Dubai need only passports valid for three months, as well as an onward/return ticket. Visas are not required.

Abu Dhabi

US citizens need a passport valid for three months from the date of entry, as well as an onward/return ticket. Visas are not required.

Qatar

A US passport valid for six months beyond date of entry is required (also with a blank page); a visa is not required.

GETTING AROUND

Dubai

Taxi

Metered taxis are the most common form of transportation and can be easily found outside of hotels or malls, or you can flag one down on the street.

Metro

The Red and Green Lines offer frequent air-conditioned trains that are available every three to five minutes. You can obtain a day pass for unlimited rides.

Abu Dhabi

Taxi

Abu Dhabi is built for cars, and taxis are a great way to get around. They are also fairly cheap compared to other developed countries.

Bus

The main bus station in Abu Dhabi is on Hazaa Bin Zayed Road for all routes.

Qatar

Bus

There is limited bus service available in Qatar; you can travel as far north as Al Shamal/Al Ruwais, as far west as Dukhan, and as far south as Mesaieed (Umm Said).
